

INDIANA'S EDUCATION ROUNDTABLE

Resolution Recommending National Center and State Collaborative (NCSC) June 23, 2014

WHEREAS, Indiana's Education Roundtable ("Roundtable") has confirmed its belief in high academic standards and that these high standards should be reflected in rigorous assessments; and

WHEREAS, IC 20-19-4-10 requires the Roundtable to review and recommend to the Indiana State Board of Education ("Board") for the Board's approval the content, format, and passing scores of the Indiana Statewide Testing for Educational Progress assessments;

NOW, THEREFORE, BE IT RESOLVED that, the Roundtable recommends to the Board that:

The ISTAR assessment for English/Language Arts and Mathematics be replaced by the National Center and State Collaborative (NCSC) Assessment.
